APPLICATION FOR:
THE CONNECTICUT SOCIETY OF CIVIL
ENGINEERS PRESENTS
THE THIRD ANNUAL

ACHIEVEMENT IN CIVIL ENGINEERING (ACE) AWARDS PROGRAM

The Connecticut Society of Civil Engineers (CSCE) Section of the American Society of Civil Engineers aims to enhance the professional growth of its individual members, the advancement of engineering knowledge, the maintenance of high professional standards, to promote civil engineering education, to foster student membership and participation and cooperation with other engineering societies, in a manner consistent with the objectives of ASCE.

CSCE is honoring the design and construction achievements of Connecticut civil engineers. These Achievement in Civil Engineering Awards or “ACE” Awards will commend projects on which significant engineering expertise or innovation was exhibited by CSCE members. The ACE Awards will distinguish the projects, and thereby honor the overall contributions of numerous engineers and other team members.

At its May 11, 2010 dinner event at the Aqua Turf Club in Plantsville, CSCE will present first place and Award of Merit ACE Awards in some or all of the following categories: **Construction; Geotechnical; Structural; Transportation; and Water Resources/Environmental**. CSCE will also recognize its members who were key participants on winning project teams.

In order to be eligible, a project must have been *designed or constructed* between January 1, 2009 and December 31, 2009, in Connecticut. Additionally, CSCE members must have been involved in the design and/or construction phase of the project. Along with a completed ACE Awards Application Cover Sheet (see other side of sheet), applicants should also submit the following materials:

- A narrative (no more than three pages) explaining why the project deserves a CSCE ACE Award
- Photographs (in printed and digital formats) that provide a visual depiction of exceptional or innovative aspects of the project (selected photographs will be included in the dinner event program)
- Client testimonials or recommendations
- A list of CSCE members involved and a summary of their significant contribution
- Newspaper articles
- Copy of the complete application and supporting materials in electronic jpeg/pdf format
- Any other materials that will assist in evaluating the merits of the project.

If an ACE Award is being sought for a project in more than one category, a separate application package must be prepared for each category.

There is no application fee. All applications must be received by CSCE no later than **Wednesday, March 31, 2010**. Prior to submitting an application, please ensure that all necessary permissions have been obtained from the owner (and other project team members) to allow for the disclosure of information about the project and team members, and photographs of the project.

Each application will be evaluated by a jury established by the CSCE executive board, based upon the following criteria:

- Advancement and innovation in the field of civil engineering;
- Contribution to the well-being of people and communities;
- Excellence in the management of the design and/or construction process;
- Accomplishment of project objectives in the face of significant challenges;
- Ingenuity in construction techniques, materials or design;
- Client satisfaction

After the presentation of the awards, CSCE will send out a press release recognizing all projects and team members receiving ACE Awards. Additionally, 2010 ACE Award recipients will be noted in the program for CSCE’s 2010 ACE Awards dinner.

For more information, please contact: CSCE President Ron Nault (203-379-0320, Ext. 207 or president@csce.org) or CSCE Vice President Jason Waterbury at (860-278-7850, Ext. 3380 or vicepresident@csce.org).

2010 CSCE ACE Awards Application Cover Sheet

This application is submitted for consideration for the following ACE Award (pick only one):

- Construction
- Structural
- Water Resources/Environmental
- Transportation
- Geotechnical

Project Name: _____

Address, City, State: _____

Date of Project Completion: _____

Name of Applicant: _____ **Firm Name:** _____

Project Team Members (Engineers, Architect, Contractors, Construction Manager, Owner, and others):

Use additional pages if needed

Firm Name: _____
